78	Noakhali	Sonaimuri Sports Academy	★

The Federation held a cordial ceremony to acknowledge the achievements and award the Star Rating along with a detailed presentation about the scheme and the plans for 2021. Only the Academies who provided the necessary information under the Scheme criteria were appraised, as feedback was given to others who were confused about the process, the requirements and expectations.

With the Scheme evolving, the Football Community is appreciating the support from the Federation and the acknowledgment of their work. All Academy Start Ratings will be valid for one (1) year after monitoring visits from the Federation with a revised Divisional Regional Coaching structure. Additional Academies will be encouraged to submit their applications with the Federation eager to continue the development of the Academies and their professionalization to hopefully allow them to develop the Star Ratings and the emphasis on Player Development.
